**Date** - 9/8/2020

**Location** - Zoom Online 5:45 PM

**Agenda** - Accepted as written

**Minutes** - 8/11/2020 - Accepted as written

### 1. Team Reports -

A. **Financial** - Gayle asked about \$607.81 in Raffle, but it doesn't show transaction fee. Kanza said the transaction fee is 4%. Carol will ask Amy what the transaction fee was.

B. **Fundraising** - Dody reported that her committee had a meeting and will send out notices to all their sponsors.

C. **Membership** - Joy provided a written report. 32 members. Joy communicated with Marilyn Ordal and Carol Hughes, sent a thank you card to Alyeska for providing our membership fee to the Chamber and received a response from them. Joy wrote an abbreviated history of our chorus and sent it to the Region 13 and has written a longer version which she'd like us to read. Once approved. it will be in the announcements. Joy sent a Thinking of You for Francis. She wants to plan the Christmas Party

D. **Music** - Gayle said we'll be looking at Christmas music soon. Lea Beverly will be at a rehearsal soon. Gayle will schedule that.

a. Singing Christmas Cards - Gayle said that if we can't physically get together, we can't do it. We need very good recordings of the chorus singing the songs. It doesn't seem promising. We'll check with Elizabeth to ask about the recording made of our show. Joy will contact Elizabeth.

E. **Visual** - Janice had no report except to say she won't be attending the Zoom Virtual Visual Leadership Workshop.

F. **Communications** - Kanza reported that the News Miner is changing our Calendar announcement. She contacted KTVF to delete our announcement.

G. **Production** - Jennifer had nothing to report.

### 2. Old Business -

Christmas Party - There are contingency plans to use Walden Community Center December 10.

### 3. New Business -

Shall we adjust dues downward? - Monthly dues structure now:

Chapter	\$ 8.75
Regional	3.00
International	8.50
Director	13.00
Costume	2.75
<hr/>	
TOTAL MONTHLY	\$36.00

The amounts for Regional and International must remain the same. We could eliminate the Costume fee, lower Chapter dues by \$1.25 and lower the Director fee by \$2.00. The monthly dues would be \$30.00

- It must be decided how to deal with the members who have prepaid.
- Janice proposed a limited time period to lower dues—say October through January.
- Carol will discuss with Amy the best way to deal with those who have prepaid.
- Carol will write an announcement article explaining this.
- It appears the handbook is incorrect for Joy. Carol will send out the current, correct handbook to the Management Team. Kanza will put it on the website.

**Discussion** - Membership Drive - International is encouraging choruses to recruit new members. We have had very good attendance and don't think we can successfully recruit right now. Kanza suggested we ask members who know people who might be interested to come to a meeting to offer an invitation.

**Next Meeting** - October 13, 2020
